

A TekFive and HSG
SDVO SB Joint Venture

INTEGRATED HEALTH &
TECHNOLOGY SOLUTIONS

TekH Partners LLC

Where **Mission Health** Meets **Mission Technology**

TekH Partners is an SBA Mentor-Protégé Joint Venture that unites clinical and public-health expertise with secure software, cloud, and applied AI.

The result is faster, smarter, and more resilient delivery for agencies that cannot afford to get readiness, compliance, or data wrong in areas such as health IT modernization and digital compliance for federal health enterprises.

TekFive

A veteran-owned, SDVOSB and 8(a)-certified technology company.

DevSecOps, software development, MLOps, cybersecurity, and cloud architecture for NASA, the Department of Veterans Affairs, and the U.S. Air Force.

HSG

Environmental compliance, occupational health and medicine, and emergency planning and response with a 50-state reach.

NASA's leading environmental services firm nationwide and supports the Department of the Interior, EPA, U.S. Space Force, and U.S. Forest Service.
